LETTERPRESS POSTCARDS

Cost: From £20pp (Min-8, Max-20)

Duration: 1hr 30mins

We offer letterpress workshops to groups in-house or on location. Participants get the chance to experiment with text, using vintage letter blocks, ink them up and create their own print to take home and frame or send by post.

CYANOTYPE WORKSHOP

Cost: From £20pp (Min-8, Max-20)

Duration: 1hr 30mins

Cyanotype is a photographic printing process that produces a unique cyan-blue print. In this Taster Cyanotype Workshop, using foliage and found objects you'll learn how to make prints on paper and fabric. We'll provide some foliage but participants can bring some objects they'd like to use to print with. You'll take away a final piece!

Printmaking brings about a sense of relaxation and enjoyment, with previous participants finding that our workshops created a sense of connection as they spoke with other participants. They also indicating that learning a new skill allowed them to reconnect with themselves through the creative process, which subsequently improved their sense of mental wellbeing.

Service users describe Seacourt as 'a lifeline', 'a place where I leave troubles at the door' and 'the highlight of the week'. One of our members said "Something is added to me at Seacourt" describing a transforming experience.

Take a peak behind the scenes from this video linked below.
